**SAN DIEGO, CA** – Mission Fed Credit Union, San Diego’s largest member-owned, not-for-profit, full-service financial institution exclusively serving San Diego County, has been named a Top Workplaces 2021 USA award. The list is based solely on employee feedback gathered through a third-party survey administered by employee engagement technology partner Energage, LLC. The anonymous survey uniquely measures 15 drivers of engaged cultures that are critical to the success of any organization including alignment, execution, and connection, to name a few.

Debra Schwartz, President and CEO of Mission Fed Credit Union, said, “Creating a culture where employees feel engaged, appreciated, and fulfilled is a real challenge, and incredibly important. Amid our current health crisis, this award highlights our employees’ dedication to our mission and validates what we are doing to provide Mission Fed team members with purpose-driven work and opportunities to grow.”

Mission Fed joined an elite group of nearly 600 organizations across the country recognized for their role in “making the world a better place to work together.” In addition to being named to the list of Top Workplaces USA, Mission Fed was also recognized on the Financial Services Industry list and the following Culture Excellence lists: Clued In Leaders, Top Leaders, Communication, and Innovation.
